OVERVIEW

One of the largest snowmobile tour center in the United States, Zephyr Cove maintains a fleet of more than 100 Yamaha and Ski-Doo snowmobiles. Every guest, single or double rider, rides a state-of-the-art touring machine offering superior performance and safety features.

Snowmobiling at Zephyr Cove is the ideal winter activity for groups, couples and families. Kids, even as young as five, can ride with their parents on a tandem snowmobile. Zephyr Cove offers guests guided tours specially designed for all skill levels. Beginner tours include a riding tutorial and safety basics, while “peak performance tours” offer expert riders fast off-road roaming to some of the area’s most remote locations. Zephyr Cove is the only center to offer tours to the very top of the Sierra Nevada range from the South Shore of Lake Tahoe.
